

MIDLANDS PSYCHOLOGICAL PRACTITIONER COMMUNITY OF PRACTICE

ONLINE LAUNCH EVENT

For Psychological Practitioners working in NHS commissioned healthcare, including:

- Psychological Wellbeing Practitioners (PWP)
- Children and Young People’s Wellbeing Practitioners (CYWP)
- Education Mental Health Practitioners (EMHP), and
- Mental Health Wellbeing Practitioners (MHWP)

This Community of Practice has been established to support all psychological practitioner roles, who represent a rapidly growing professional grouping within the NHS Psychological Professions. The Community of Practice will facilitate professional growth through sharing and enhancing skills, knowledge and practice. Attendance is open to all trainee, qualified, senior, lead and education providers who recognise themselves as part of the PWP, CYWP, EMHP and MHWP professions, and are members of the Midland Psychological Professions Network (PPN). If you are not a PPN member, register for free [here](#).

This free launch event will feature presentations from Dr Liz Kell about the benefits of Communities of Practice in Healthcare, and Dr Sunny Kalsy-Lillico, presenting on Psychological Practice in Physical Health.
