

Maximising the Impact of the Psychological Professions Transforming Lives & Delivering Our NHS Long Term Plan

The Annual Conference for the Psychological Professions Network: Kent, Surrey and Sussex

Tuesday 19th November 2019

09:30 - 16:30

Hilton Hotel, South Terminal, Gatwick Airport, RH6 0LL

Prior booking essential

During the day we will be exploring a range of themes, such as:

-  Psychological Professions Into Action
-  The NHS Long Term Plan - A More Psychological NHS?
-  The Products of the Psychological Professions Network One Year On
(Who are the 12, Leadership, Psychologically Informed Physical Healthcare, Partnerships in Evidence-Based Practice, Wellbeing in the Community, Consultative Working, User and Carer Involvement)
-  Exploring Themes of the NHS Long Term Plan - Opportunities for Psychological Professions
(The New Mental Health Support Teams for CYP, The New Primary Care Networks, Shared Decision-Making, Psychological Wellbeing in the Workforce)
-  This day will include panel discussions, interactive media, creative elements & opportunities to network - so come along and join the conversation!

**The Psychological Professions Network joins up policy makers, psychological professionals and the public.
Bookings are open to all stakeholders who are involved in NHS-funded healthcare**
